

# Dear Campers...

It has been absolutely incredible two weeks at Eeshay. It's not just the league games that have been wonderful and intense (who knew that hockey without goalies could conjure up such passion?), or the wacky and wild night activities (the pressure of connect four!!), or even the zoom learning shiurim in the morning (cash for good questions included). What has really been wonderful is the fact that even though Camp has been a little different in some regards and we have been limited and certain things we can and cannot do (Why can't we throw Orent in the pool???), the overall attitude of everyone has been tremendous. It's as if we have decided as a tzibbur to trust that Hashem has a Master Plan and that there is no reason not to be besimcha in everything we do. "Ivdu es Hashem B'simcha..." It's not only a song but a chazal :- ) it's the key to happiness and shteiging. We don't control every situation in life. What we do control, however, is how we respond and deal with it. So as we gear up for one more intense and wild week in Camp (Neighborhood Day, playoffs! Championships, trophies, banquet...) let's keep in mind that winning isn't guaranteed. But smiling no matter what might be the greatest victory of all.

Have a great shabbos,

- Rabbi Schonfeld
- Rabbi Kramer
- Rabbi Kessel
- Rabbi Fishberg

## The Kahstitution

After recently receiving my lordship, I will fulfill my first campaign promise, to create a more equal and diverse (that's the trend these days) Camp Eeshay. My first act will be to pass our declaration of independence. The dictatorship of Rabbi Schonfeld, Rabbi Kramer, and Rabbi Kessel (with Shimmy as chief political enforcer) must end. The disappearance of the only buffer, Sir Baruch Korn, is the last straw. It is time to bring power back to the campers.

The unanimous Declaration of the People's Republic of Eeshay, When in the Course of unnatural events, it becomes necessary for the campers union to dissolve the political bands which have maintained a totalitarian system, and to assume among the powers of Passaic and Clifton, a decent respect to the opinions of ALL campers.

We hold this truth to be self-evident, that all campers are created equal, that they are endowed by today's culture with certain unalienable Rights, that among these are A/C, Free pizza, and the pursuing of counselors without their consent. --That to secure these rights, Lords and Barons are instituted among campers, deriving their deservng powers from the consent of the governed, --That when a dictatorship becomes destructive of these ends, it is the Right of the campers to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to affect their safety and happiness.

As for diversity -- the People's Republic of Eeshay has convened that a diverse population shall reside amongst the campers. -- That a people's quota of Passaic, Clifton, YBH and Yeshiva Ketana be enacted.

The People's Republic of Eeshay DEMAND reparations for the numerous occasions in which Rabbi Schonfeld obviously rigged the basketball hoops to get out of multiple dishouts. Payment in the form of poppers will not be accepted, as there will be none left for the younger campers.
