

## Dear Campers...

We are three weeks into the first half and also in middle of the three weeks on our calendar. It is perhaps a reminder for us to focus on what is important. Because in looking back at our week in camp and what a week it was! From American Dream water park (which way was the exit to the bus again?) to flippin out trampolines, it was a week filled with excitement and ok fine a little rain. But what really makes our days fulfilling are the way in which we react to our teammate when they hit or miss a shot. Can we control ourselves at a time of disappointment? Do we look to make sure everyone on our team has played? If we take the time to focus on others, then in turn our week will be even more exciting. Because not only will we have the memories of trips, leagues, entertainers... but we will also be impacted in a positive way for life.

*Have a great Shabbos,

## From The Desk Of Ez the Prez

Eeshay really is the camp that never sleeps! Wait... we're starting camp at 6 PM? You sure it's not a typo? Are you sure? Please double check because I don't want to have rally towels that say "6PM" on them. #typo #backwardstshirts #onfire Now, I want to take a moment to honor those whose bravery deserves respect, whose courage inspires all. The men and boys of our dear camp, who put their wellbeing at risk in hope of a better tomorrow- THE 148 CLUB. Dropping from 148 feet in the air to the pool of water below. That's crazy! The only way I would do that is if there is a counselor below and, when I land on him, i get to keep what's in his pocket. #sushi #dirtysock

The truth is, all of the campers in Eeshay are part of something special. This week, you guys made history, for real. In 9 years, this is the first time league teams have been drafted and run solely by the campers! And it has been awesome so far. #pump #EeshayHYPER It is fitting that on the week you guys made Eeshay history, we played a staff game against pieces of ancient Eeshay history. Rabbi Schonfeld even had some assists! #thenewera

It was a battle of era's, a fight to see who is superior, the Eeshay of yore, or the Eeshay we rock today. I think the game answers the question. Always #ONFIRE, Ez
