

Dear Campers...

Wow! What an incredible first week! Intense leagues, John Pizzi, wood working, Father Vs Staff baseball game, Jackals, Switch, Bolderdash, and more. The summer is a time of great fun and this week was an excellent example of that. The question becomes - will it also be a time of great growth?

The opportunities abound.

We spoke about some of these opportunities daily before Mincha, such as Bentching slowly even though we are eager to run to the pool or ball game (remember the Librarian kallah), working on our middos- always thinking "is what we are about to say going to elevate our teammate or going to make him feel smaller" (Remember the smart 11th grader who cried at night because of a nickname).

Let us together embark on a summer that is not only fun filled but also growth filled

Looking forward to an action packed growth week ahead.

Have a wonderful restful Shabbos,

This Week in Shiur

Baruch Hashem the learning in Camp Eeshay has started off amazingly. We have 5 very talented Rebbeim learning the 4th perek in Berachos for the first part of the morning and then each shiur switches after the break to another limud until 11:00. Some shiurim are learning the Halachos of Basar Bechalav, Hilchos Shabbos, and Hilchos Tefilin. There is an optional early shiur from 9:30-9:45 which on average 25 boys have been attending. There are 2 separate incentive programs going on which I'll write about IyH next week. The Ruach is great and I'm looking forwards towards another great week of learning next week. Bonus question to be discussed by the Shabbos table: If Korach had Ruach Hakodesh, how did he make such a mistake to argue with Moshe Rabainu!? Have a great Shabbos!

From The Desk Of Ez the Prez

Siracha mixed with ketchup and barbecue sauce? Sounds delicious. I will say, Yosef Groman had an up and down week. He loses to Effie in human hot dog #fairandsquare. He has to share poppers with Ehrman #fairishandquarelike. But, he did receive the greatest honor in camp so far... starting 3rd baseman for the staff softball team! Oh, and Mr. Eeshay. Also pretty chashuv. #dovidschwartzshouldhave-wonbecausehedoesntref. But starting 3rd baseman, wow! Yes, the softball game was as lobsided as the age difference between the two teams. But that doesn't mean baseball is dead in Eeshay. Justin Wylie hit two homeruns a year late. That means baseball is dead in Eeshay. Just kidding, calm down Glass! We do love baseball. We love baseball like Judah loves Jack the Jackal- a lot. Can we also take a moment to appreciate the new addition to camp this year? No, it's not any of the new counselors. It is something way more important- the slushie machine. It took ten years? I'm already addicted and there has been one week of camp #calladoctor. Jokers being saved. Eeshay doing everything. Bowling and water bottle flipping and dart throwing #calladoctor. Leagues as competitive as always @RJK ("stop giving me volleyball!"). The heat in Eeshay is most definitely rising. till next week, Ez
