

Dear Campers...

What a fantastic week! Shteiging, intense sports, Eric Wilzig show, neighborhood day, OTB, and RUSH! Yes, the schedule was great, however it is both campers and staff that create the magic and energy that makes each day special. As we head into the three weeks let's focus and appreciate the greatness of each yid. Ahavas Chinam. Our teammate, counselor, or bunk mate, - they are truly great. Let's also remember that Hashem is always with us, even if things sometimes may look bleak. If we look for it we can see Hashem in our lives. (Avi with his busted leg and the DR phone call).

Looking forward to a RUSH shabbos, and hope to see you all at the Eeshay shabbos program in Rabbi Lazar's Shul.

Let's continue to RISE!

*Have a wonderful restful Shabbos,
Rabbi Kramer*

This Week in Shiur

Dear Choshuva parents of Camp Eeshay, What a week of learning! Each one of our shiurim really put in the effort to maximize the learning time. The concepts of Mincha Ketana, Mincha Gedola, Plag Hamincha, and 'Tartee D'sasri' were discussed. Great stories about Rav Moshe Feinstien z"l and other gedolim were shared. Of course incentives like chocolate danishes and soda were won, in addition to the usual Erev Shabbos raffles. Rabbi Gottlieb's shiur is now learning the Sugyas in Kidushin about Kibbud Av V'aim, while the other shiurim continue to plow through the Sugyas in Meseches Berachos. In the halachos of Basar Bechalav, the concepts of Botul B'shiishim, and 'Chanan' (Chatichs Na'aseh N'vaila) we're taught. This is one example demonstrating the high level of learning the boys are reaching.

Additionally, I get a chance to watch the boys during the activities and I enjoy the game room also. It's a beautiful balance of Ruchniyos and Gashmiyos which is giving our lucky campers a wonderful summer experience. It's hard to imagine that we will already be starting week number 4. Everyone should have an easy and meaningful fast on Sunday.

*Have a great Shabbos!,
Rabbi Fishberg*

From The Desk Of Ez the Prez

I think we all know who the winner of this week is. I mean, it's pretty obvious. This winner was very close to losing. And the loss would be of epic proportions. But, in the nick of time, the victory came. Who is this winner? Dovid Schwartz's head. I think that was the first magic trick I almost couldn't watch. Let's just say, Wilzig doesn't do card tricks at birthday parties. I actually think we should hire Wilzig for camp as a head staff member. He can program Akiva Klein to get slurpees for everyone. Maybe he can program Yosef Groman to beat Ezra in PIG. I think everyone was expecting me to announce another winner of this week. Yes, Clifton brings home its third Neighborhood Day out of four years. The second by General Ackerman. 61.9. That's the number. That's how close it was. That's a shutout in a baseball game and a Settlers of Catan win from a Passaic victory. Close, but no cig- sorry. Close but no guitar. #wehavefifthgrader-snow #danilevinworkshop #gavriellglasslowkeyguitarguru #4G's Here's the big question following neighborhood day. Where will the Eeshay Cup be on display? Target? #gromansgramen Listen, it shouldn't be a surprise Groman had a dominant gramen. Just look at his name. He was born to gramen. I vote that for the rest of the summer, Yosef's name is officially, "Yosef Gramen." Wow, a Neighborhood Day-themed nickname? Just adds to his case for Mr. Eeshay. Oh, one more thing about Yosef Gramen. He lost to me in PIG. Ha. I saw all of your score sheets. I saw you all picked him to beat me. It's time to put some respect of my flower yarmulke. Just don't try to challenge me for your \$5. In final news, it is time to RUSH. #electricbike #airpods #wheredowehaveallthismoney @RKramer @LeviAdler Harry Houdini Wilzig, Hoenig and Pieprz buzzer beaters in Round Robin, Judah shoeles in staff volleyball, Davis and Hahn swing off in the Derby, Clifton is back on top, mock chasuna at lunch @Ehrman @DSchwartz @EFeintuch, Uri Scheiner ping pong master at sudden death, R' Kessel and Lazar beat the Kramers on the final shot #iceintheveins, Weinberg's Watermelons, Eli Scheiner goes swimming for Eeshay Rush #there'safirstforeverything, EE does their best Wilzig impression at American Dream, the Eeshay Shabbos right around the corner, the Heat is most definitely rising...Looking forward to the #Eeshayton, Ezra
