

Dear Campers...

We hopped and jumped straight from sky zone right into color war!

(Did you guess?)

What an amazing week! Yehuda Palgon the giant lighting magician, new leagues, Pictionary, and Eeshay staff vs Eeshay alumni game.

As we head into shabbos Nachamu lets remind ourselves the words of the navi "nachamu nachamu Ami" - that be"H we will be comforted soon with the rebuilding of the Bais Hamikdash. Let's do our part step by step, word by word, minute by minute. The seemingly small things that we do or say are in actuality a big deal. Lets ask ourselves - In what "small" way will we improve? Will we offer to clear the shabbos table? Will we call our grandparents to wish them a good shabbos? Will we learn a little extra? Let's live up to being the great people that we are.

*Have a wonderful restful Shabbos
Rabbi Kramer*

Woah. Didn't see that coming! Well actually, I did. But if I was everyone else and not me, which I am not because I am in fact me, I would not expect the thing that I expected because I am me. Um, moving on. Groman vs. Dovid. A battle for the ages. Our leaders in camp now become our leaders in battle. I just can't wait for the entire Red Team to go complaining to Groman, "Why did you put our whole team in volleyball?" "We just played football in last year's color war!"

Color War puts me in a tough position. I know in camp I come across as a quiet guy. I mind my own business due to my shy nature. But surprisingly, I like to cheer for stuff. Eeshay Chop, freaking out when Moshe Karfunkel #duoz puts two defenders on the floor, throwing around nicknames everywhere I go #canon #shwikeymob #strimtotty #eligross #levik #ezthepr-ohwaitthatsme #yitzy-bitsyspider #maniel #pat-tycakepattycakebakersman #wowthisisalongstringofhashtags #danimynamesnotdanideutsch #avimynamesnotavisolamon #bostonkramepie #mosheweissman #schmitt - um, where was I? Oh, yeah. I like to cheer. I like to go for a team

But as a judge, I have to be impartial. I can't go for either team. What is a Prez to do? I have a solution. I will go for a team, but in secret. Kidding. #krich #eeshaycourt My solution is, I will go for a team, just not the Red Team or the Blue Team. I, Ez T. Prez, am going for the Team of Purple! Who is on Team Purple, you may ask. Only a bunch of legends, that's who. Shmuel Kramer #lisker, Ozer's Pet Turtle #mascot, and Aharon Septimus #mads scientist will lead Team Purple to victory! By the way, the turtle is the General. Obviously.

New league season, massive trade deadline bombs #woj, Traffic Yam, Pictionary, how do you draw the color red?, bunk chaf nearly gets knocked off #shouldvecheatedfortesvav, gromans play by play #yosefbreen, big time win over Alumni #thatsourrabbi, whats your record in leagues?, skyzone, the legend of Aaron Hahn is born, Glow spotted, Mikey has hops on the hoop, Pinter flies in the sky, we caught the canteen culprit, breakout, this is war, the heat is colorfully rising... Have a great Shabbos,
Ez
