

Dear Campers...

What an incredible summer!! Hashem Bentched us with a fantastic summer and together we enjoyed every moment of it. Let's keep the glow of Eeshay bright throughout the year. Let's remember the good times that we had. The intense leagues, the awesome trips, the great Shiurim, the incredible night activities, the game room, the pool, workshops, and of course the canteen. Most importantly let's remember each other. Let's remember the absolutely super staff - each and every member which is the backbone of Eeshay (even if it happens that they miss a call while reffing :-)) Let's remember each and every camper - YOU are EESHAY. On a personal note - I enjoyed getting to know or reconnecting with each and every one of you. Thank You! You are truly terrific.

Wishing you a growth filled year of Shteiging and Simcha.

*Have a wonderful restful Shabbos
Rabbi Kramer*

THE GROMANCIPATION PROCLAMATION

This week really lived up to the hype! Outdoor laser tag never fails. Unless you had my gun. Then it fails. Miserably. Yes, it was broken! No, I don't stink at laser tag! Let's do paintball next time, we'll see who really stinks. And torturing the counselors was awesome. Although how hard can it really be to hit a target that's less than 10 feet away. Cmon guys. I bet if I were up there nobody would've missed. Next week we can try t- oh... wait. Wow. I can't believe it's actually over. Those were the fastest 8 weeks of my life. And the slowest 4 weeks of my life. Yeah that makes sense trust me. Now looking back I can only smile. There are so many incredible memories to remember. Like drowning campers in the Lehigh, or getting struck by lightning in Camelbeach, or getting the entire lazy river to myself (that was kinda weird, the lifeguards looked like they were trying to tell me something but I couldn't hear them over the thunder. Oh well). And how could anyone forget poisonous water flying everywhere causing everyone to run for cover into the gym where they would just get attacked by 1000 mph dodgeballs being launched by counselors trying to earn tips. That's a weird tactic if you ask me. I'm not a counselor though so what do I know. Oh and how about all the incredible nicknames. Mokar, Toni, Bill, Josh, and every other one I'm forgetting. Although I'm not so sure those last three are "nicknames". OH! Of course I can't forget about the incredible Night Seder program. Shoutout to you guys, you know who you are. But also a shoutout to all of you campers. You run the day. You create the intensity, the competitiveness, the "fire" of Eeshay. And I'm gonna miss it so much. Carry over this fire throughout the year, and you better believe we're gonna add fuel to the fire and make sure we're burning stronger than ever next summer. Get ready boys. Have an awesome Shabbos and an incredible year, Yosef
